Conditions:

Please send the filled registration form back to the Molnár-Institute (via email: info@molnar-institute.com). Once received it will be considered binding. The payment is to be made before the workshop date in order to guarantee your place(s). If you are unable to attend the booked workshop you have two options:

1. We are happy to welcome a substitute delegate at any time provided a written request is received.
2. If you have to cancel entirely, we can offer you a refund less a 10% service charge, providing your cancellation is received in writing 3 weeks before the workshop date. We regret no refunds can be made afterwards, but a substitute is welcome.

In the unlikely event that the workshop director cancels, every effort will be made to find a suitable replacement of equal experience. By providing your email address you consent to Molnar-Institute contacting you with relevant updates about products and services by email. Your email will not be passed onto third parties.
